Forecast for Wednesday 22 Mar 2023

Weather: A bright day with a mix of sunny spells and showers, these perhaps wintry on the highest summits. Cloud increases again through the evening with occasionally heavy rain spreading east.

Chance of cloud-free hill tops above 600m: 75% by mid-morning lowering to 60% in the afternoon, then falling considerably through the evening.

Low Cloud and visibility: 600-750m by mid-morning, then periods at times through the afternoon, periods or persistent cloud above 450-600m develop during the evening. Away from cloud visibility very good falling to several kilometres in rain or showers.
